The Private Trust Company, N.A., licensed in all 50 states under its 1995 national banking charter, serves as trustee, co-trustee or agent for the trustee while specializing in delegating investment and relationship management to financial advisors.

This model allows for clients and beneficiaries to utilize the experts of The Private Trust Company to provide professional trust administrative services while outsourcing the investment management services to their chosen financial advisor.

As a financial advisor or RIA, where do you find prospects with personal trusts? The best place to start is in your own book of business. You may have clients with trust accounts that are currently managed by an institution and are dissatisfied with the quality of service or investment performance of their account.

For these clients, it may be possible to transfer the trust to The Private Trust Company and have the assets managed by you, their chosen financial advisor. New trusts can name PTC as current trustee or successor trustee to the grantor.

In addition, The Private Trust Company can assist individual trustees in the administration of their trusts in our capacity as agent. Simply put, your client remains trustee while delegating administrative and operational duties to PTC for the purposes of ensuring compliance with the governing instrument and applicable state law.

The Private Trust Company, N.A., is an affiliate of LPL Financial.
